

IF YOU ARE A STUDENT of B.Sc/Int.M.Sc II Year or M.Sc I Year/Int.M.Sc IV Year WITH A PASSION TO PURSUE RESEARCH IN PHYSICS, THEN THIS IS THE PROGRAM FOR YOU!

Physics Training and Talent Search (PTTS) 2019

FOR: B.Sc/Int.M.Sc II Year or M.Sc I year /Int.M.Sc IV year

WHEN: May 23, 2019 to June 12, 2019.

VENUE: Gandhigram Rural Institute - Deemed to be University (GRI),
Gandhigram 624302, Dindigul District, Tamil Nadu.

PTTS Structure: Level-1 for II year B.Sc/Int.M.Sc students and Level-2 for I year M.Sc/IV year Int.M.Sc students. Every working day, there will be lectures and tutorials and a laboratory session on Experimental Physics.

Methodology of training: Unlike in traditional lectures, in this program, classes will be interactive in nature. Tutorials will include discussing and solving problems. The experimental physics course will be structured to help you propose and design an experiment.

Selection Process: 50 students for level-1 and 35 students for level-2 will be selected from all over India. Selection will be based on your answer to the question in online application, recommendation from your teacher. Academic performance in school/college and in any standard examination such as NGPE, NTSE, KVPY may also be considered.

**LAST DATE:
MARCH 10, 2019**

Efforts will be made to give adequate representation to students from across states, from rural background, and female students. **Few exceptionally bright students from a lower class for the level may be taken. Few highly motivated BTech (II year) students may be taken for Level-1.**

HOW TO APPLY:

1. Fill in the online application form at the site:
<http://www.ptts.org.in> .
2. The Recommendation Letter can also be filled online by anyone who knows you well academically.
3. Answer the question that is given in the online application form and upload the solution.
